

SLIBRARY ALIVE !

It would be worth your while to check out the new and improved Sliammon library (Slibrary) at Ahms Tah Ow School in January.

We are pleased to announce that we have added over thirty new reference books to our collection. Interested in reading about the history of cannibalism, muscle cars, cooking or soccer? The Slibrary has an interesting array of new books and magazines for your reading pleasure.

In addition to our regular collection of adult novels, the Powell River Public library recently donated twenty-five new popular fiction books. We also have current copies of the Neh Motl and Powell River Peak

From January to April, Ahms Tah Ow School, in cooperation with Powell River Public Library and Powell River Literacy Council, will be sponsoring a reading incentive program. Simply read a book from our library and fill out an entry form. Draws will be held at the end of January, February, March and April for two \$50.00 gift certificates. There will be two categories, Youth (under 18) and Adult (18+).

Come check out the Slibrary, you will be surprised at what you will find!
